I've got the plan. It will be the easiest way to do it. When I get back to my desk, I'll send instructions. Its just one tollfree number and a code.

Just call the help desk to set up a bridge line for the call. Thanks.

Mr. Sanchez will be available at 11:00am central on the 12th -

Greg: Betty West said she believed the instructions and #'s were on your credit card for setting up this call? I put in a call to Chris but have not heard back as of yet -
